“What’s the Price” Game Show Rules

- Must be at least 18 years of age or older to be eligible to participate.
- Participant names will be randomly drawn.
- Each round of floor prize bidding will see 4 new names drawn. Once your name has been drawn it will not be returned to the drum.
- Winners cannot opt to take the cash value of their prize.
- Prizes must be accepted as awarded.
- Participants who bid closest to the actual retail price without going over will win the prize.
- All prizes not won will be awarded by random draw of attendees after the show. All attendees have equal opportunity to win regardless of whether they’ve won a prize that night.
- 5 participants will be in the “wheel spin” round and will have up to 2 consecutive spins to accumulate the highest dollar value. The 2 highest dollar value participants will be in the “final showcase” round. If there is a tie between 3 or more participants, they will each have 1 spin, with the 2 highest spin total winners advancing to the final showcase.
- One cash prize of \$500 will be awarded if a participant spins a total of \$1 at any time during the wheel spin round. Should there be a tie, each participant will have 1 spin, with the highest spin winning the cash prize.
- The “final showcase” will feature 2 participants bidding on their own showcase. The participant who bids closest on their own showcase without going over will win.
- The panel of judges will settle any discrepancies, with their decision being final.
- NO CELL PHONE USE WHILE INSIDE THE GAME VENUE.
